

MAISON

Cut & sew are not enough, La Bottega works with creativity, passion and balance between tradition and innovation, giving birth to unique solutions which characterize a way of being, in between beauty and elegance.

From the encounter with the most innovative fashion brands we started La Bottega Maison with collections meant to take the concept of “textile” to the next level.

These projects enter the hotel rooms bringing dreams to everyday life, as tailor-made clothes, refined objects, giving a completely new turn to the aesthetics and the ambience of traditional places.

La Bottega is... a matter of style.
